EXPERIENCE ---

WGSN

Digital Designer, 2014–Present

I work on email campaigns, infographics, social media assets, event landing pages, trade show booth branding and any printed collateral necessary to assist the sales and marketing departments in client retention and acquisition efforts.

Stylesight

Graphic Designer, 2009–2014

My main responsibility included coding email blasts and newsletters, web banners and social media branding.

Resource Magazine

Freelance Illustration and Design, 2008–Present

Starting as a designer i got to read and lay out content until eventually becoming one of the first illustrators of the magazine. Now i get to do digital illustration about the photo industry life, their stories and related technology.

Fauxmood

Freelance Photographer, 2013–2014

I served as an art director and Street Fashion Photographer for the Fauxmood blog, shooting both professional models and naturally cool subjects, outdoors or in the comfort of their apartments.

Fresh Concentrate

Design Intern, 2009

As an intern for Fresh i got the chance to design and learn the ropes of branding in a socially responsible environment.

Great Young Minds

Design Intern, 2009

I had the pleasure of working along inspiring and dedicated actors and designers, producing personal branding, web layouts and promotion material.
